

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Allen David Daniel**

Docket No. **272073**

L.C. No. **2005-001614-FH**

Pat M. Donofrio, Judge, acting under MCR 7.211(E)(2), orders:

On the Court's own motion, defendant-appellant's brief is STRICKEN. The brief is stricken because the brief filed by appellant in this appeal, raises issues involving a previous appeal out of Wayne County Circuit Court, lower court number 04-007698-01, instead of addressing issues arising out of defendant-appellant's convictions in Macomb County Circuit Court case no. 2005-001614-FH.

Appellant has 35 days from the Clerk's certification of this order to file a brief that raises issues regarding his convictions in the Macomb County Circuit Court case, case number 2005-001614-FH. A brief filed within 35 days of the Clerk's certification of this order, that conforms to the dictates of this Order, shall be considered timely filed. If appellant fails to file a brief that conforms with this Order and/or the Michigan Court Rules within 35 days, this appeal shall be submitted for involuntary dismissal without further notice.

If appellant files an amended brief that conforms with this Order, plaintiff-appellee shall be given 35 days from the proof of service date of appellant's brief to file an amended appellee's brief.
